BROWN

Change Your Mind For A Change

Dr. Rosché Brown is known as the “Doctor of Rethinking.” As a licensed clinical psychologist, radio personality, and author, Dr. Brown challenges her audience members to “remix” their thinking to cause a “new way” of living on the journey of spiritual, psychological, and financial development. She has been described as an expressive motivator, professor, speaker, coach, and thought leader.

In her blended approach of spiritual teachings and life applications, Dr. Rosché delivers impactful teachings in workshops, motivational talks and one- on-one therapy sessions. She infuses psychological and spiritual principles in her interactions to create rich and deep experiential learning environments.

On Sunday mornings listeners tune into iHeartRadio’s 106.1 KMEL’s World Hit Gospel Show, where they hear Dr. Rosché, along-side Bishop Keith Clark, to hear her empowerment and self-esteem building techniques.

Dr. Rosché Brown's teaching allows you to understand you a whole lot better.
-Bishop Keith Clark

Dr. Rosché helped me create a new way of thinking and shifted my mindset to know that's it's okay to love myself and set boundaries for anyone who is causing harm to my mental state...Her teaching techniques were very impactful, fun, spiritual and empowering!
- Alisa Harris-Brice

Dr. Rosche is a phenomenal keynote speaker...She has the tools to help people reach goals that have been set in their lives.
- Pastor Harvey Robertson

Signature Presentations

Is Your Child Mentally Healthy?

Are you frustrated, confused, or concerned about your child's future? Do you ever feel there is something missing between you and your child? In this informative presentation, Dr. Rosché will describe signs and symptoms of positive mental health and offer caregiver(s) tips on understanding and communicating better with their child.

Dr. Rosché is very impressive, professional, caring and sincere in her approach to addressing mental health issues makes individuals feel warm and open to talk. - Lady Carolyn Cobbs

Unpacking Your Truth:

When is the last time you unpacked your baggage? Is it always them and not you? Have you reexamined your needs list? In this signature talk/workshop, Dr. Rosché will facilitate a journey of uncovering and discovering the power within.

Remix and Rethink:

Do you ever place limits on your possibilities? Are there ways that your environment influences your thinking? In this signature presentation, Dr. Rosché will discuss patterns of irrational, negative thoughts and offer steps to more positive thinking.

Dr. Rosché class was helpful for young ladies. It helped us really get to understand about ourselves, have confidence, and it really helped me grow more and made me look at different people more and help other people. - Destini

Shine Bright Like A Diamond:

Are haters distracting you from taking care of business? How strong is your circle? Do you know where you're headed? Do you have positive role models? In this workshop, participants will identify their strengths, learn skills to ignore distractions, clarify their future goals, and make a plan for success.

How You See You:

Are you curious how to overcome a negative environment and rough circumstances? Have you experienced disappointment or opposition? Dr. Rosché motivates and inspires through the sharing of her personal story about ways in which she turned her dreams into goals that are now her reality.

Dr. Rosché is very impactful in her teaching, specifically when she integrates the psychological aspect of our thinking to our relationship with God. - Sandy Smith

How Money Works \$:

Are you comfortable with your money? Do you need solutions to saving and growing your money? Dr. Rosché provides financial literacy about the foundations of saving, protection of your assets, and ways to grow your money by understanding the financial threats. This education is followed up with a free Personal Financial Checkup.
