

DR. ROSCHE BROWN
DOCTOR OR RETHINKING

Thank You!

Dr. Rosché Brown is affectionally known as the “Doctor of Rethinking.” As a licensed clinical psychologist, financial coach, life insurance agent, and professor, Dr. Brown challenges her audience members to “remix” their thinking to cause a mind shift into a “new way” of being on the journey of spiritual, psychological, and financial development.

In her blended approach of spiritual teachings and life applications, Dr. Rosché delivers impactful teachings in workshops, motivational talks and financial coaching

sessions so women can change their money brain in order to make money, manage money, and multiply their money. She infuses psychological principles in her interactions to create rich and deep experiential learning environments.
